

PURPOSE

Establish a consistent, district-aligned approach to school websites, social media, and enrollment engagement that strengthens each school's ability to tell its story, build trust, and guide families from first impression to enrollment.

Websites =
official source of information

Social Media =
daily storytelling and engagement

Schools =
final experience through Enrollment
Inquiries and Tours

All must work together
to move families from awareness
→ interest → inquiry → tour →
enrollment

DELIVERABLES: OVERARCHING EXPECTATIONS

1

Content Alignment & Storytelling

- Messaging aligned to school story and strengths (School Blueprint Document)
- Aligned to BCPS Advantage initiative (monthly emails with templates and content ideas)
- Aligned to district branding expectations (MarComm Website)
- Content reflects authentic student learning experiences and outcomes

2

School Website Readiness

- Pre-School Year Requirement
- Key marketing components updated before August 2026
- Required components: homepage with identity banner, news, calendar, CTA button; current Magnet/Innovative/Specialized Program pages; updated Proud Points and achievements
- Websites clearly support enrollment inquiries and tour scheduling/contact information
- Information is accurate, family-friendly, and current

3

Social Media Presence

- Baseline Requirement
- Every school maintains at least one active social media account
- Post consistently
- Highlight school culture, academics, and programs
- Include clear calls to action: visit website, schedule a tour, apply
- Drive families to website and inquiry/tour actions

4

Enrollment Inquiry & School Tour Readiness

- Expectations provided for timely inquiry responses, tour scheduling, and a welcoming on-campus experience
- Contact information is visible and accurate
- Staff are prepared to respond and engage families
- Tour experience reflects the story told online
- Alignment is critical: online and in-person experiences must match

MONTHLY IMPLEMENTATION TIMELINE

July 2026 (Pre-Launch)

- Finalize all website updates
- Distribute Semester 1 Social Media Content Calendar
- Includes BCPS Advantage initiative posts
- Provide guidance on enrollment inquiry expectations and school tour readiness

KEY EXPECTATIONS FOR SUCCESS

- ✓ Websites fully updated before August 2026
- ✓ Every school has at least one active social media account
- ✓ Content shows real student learning and experiences
- ✓ Every post includes a clear call to action: tour, inquire, apply
- ✓ Schools respond to and manage enrollment inquiries effectively
- ✓ Schools provide welcoming, consistent tour experiences
- ✓ Messaging is aligned across website, social media, and in-person interactions

DECISIONS / SUPPORT NEEDED FROM EXECUTIVE TEAM

Leadership endorsement and active support required across three key areas.

ENDORSEMENT OF:

- Website readiness requirement (August 2026)
- Requirement for active social media presence
- Enrollment inquiry and school tour expectations framework

SUPPORT FOR:

- Regional monitoring and accountability
- Training and reinforcement for schools

ALIGNMENT ON:

- BCPS Advantage messaging integration
- District branding and communication standards

CLOSING

This plan ensures that all schools enter the 2026–2027 academic year with aligned messaging, strong digital presence, and clear enrollment pathways for families.

Goal: Provide clarity, alignment, and confidence that schools are fully prepared to engage families, support enrollment, and deliver a consistent experience from first impression through campus visit.
